# SUPER SPRINT

ATARI GAMES

# New Super Sprint for 1, 2 or 3 players!

**Atari Games has re-created the same proven player appeal and earnings longevity of the original, classic Sprint 2® game.**

- Non-stop racing action and head-to-head competition
- 1, 2 or 3 players compete against each other and against computer-controlled cars
- 8 unique tracks (players select starting track)
- Each race consists of 5 laps. If players beat the "drone" cars, the race continues on a new, more challenging track.

## Innovation for today's market

**Super Sprint has all the new thrills and game features that today's players expect.**

- Up to 3 players can join in the game at any time
- All new tracks, each introduces new driving challenges
  —Track layouts include jump ramps, opening & closing gates, hidden short cuts, over/under passes, banked turns
  —Track hazards include oil spills, twisters, traffic cones
- Special bonuses—players can earn extra car performance features
- Add-a-coin feature
- Realistic graphics and detailed animation
- Simulated race-track sound effects, plus music and speech
- Player racing statistics at the end of each race

**Dimensions:**
Height: 64½"  Width: 40¾"
Depth: 40"  Weight: 400 lbs.

Players select starting track
